“ Don was always more of an Uncle to me and my kids. He used to take me to get Barbies when I was little until he found out I was more of a tom boy. He taught me how to shoot and was the only one patient enough to teach me how to drive. He was the first one to hold my babies when I brought them home from the hospital. We all are missing him so much. RIP Don.

*Don was one of Jimmie's longest and best friends, so when we married, he became a brother to me. While not as close to him as other members of Jimmie's family were, I still felt a strong friendship. I knew, because he told me many, many times, that if I ever needed him, he would be there. And he was. Don will be sorely missed by those of us who loved him. I can't think of a nicer man who was kind, helpful, and respectful to all who came in contact with him.*

*“ They sure didn't come any finer than Don! I will never forget all the kindness that he showed me while I was out there taking care of my parents for 2 years. I surely couldn't have done it without him. He was always such a joy to be around & a blessing in my life. I always enjoyed our talks. He was always so good to my parents & I'm forever grateful for all that he always did for us! He will never be forgotten & he will forever remain in my heart. My heartfelt condolences go out to his family & friends for their loss. RIP Don, until we meet again!!!*
