“ *Donald Pearson was a kind hearted man that would help anyone in need. He spoke a lot of facts that all were true. And a few jokes in between. It was a honor to spend the little time I was blessed to receive. He was a good friend. His memories will live on in me. May he rest in peace.*

My name is David Allen Pearson Donald Ray Pearson's oldest son. He was at good man. He taught me to be a honest upstanding person respectable person and people that did not respect him he did not have time for people made him the way he is. That's what he told me. People might not have liked what he had to say but he was correct and that's why they did not like it. Brutally honest is a good thing. While Donald Ray was up to bat he got the job done every time. Why? I ask him his reply was Son IT'S Faster Horses, Younger Wemen, Older Whiskey and More Money!
