“ Doneese was very special to me. I lived in Bowie TX ...she in Wichita Falls. She dated and eventually married my then husband's best friend Jack. She loaned me her car to drive to Louisiana to pick up my husband from Ft. Polk, and she had only known me for a short time. She was a hard worker..very loving and had a room lighting smile. I loved her dearly and just learned today that she passed. I will never forget her. RIP sweet Doneese.

“ I worked with Doneese at the hospital in Graham for several years. I will always remember her willingness to come in early so I could attend my sons basketball games his senior year. She was a very sweet person, she will be missed.

“ I am so saddened to hear about Doneese. What a dear, kind and strong woman she was. I learned so much from her in all the years we worked together. She loved her husband and children and was always filled with such joy when talking and sharing stories with me. She was an amazing nurse who touched many lives. I feel such sorrow for her family at their loss. She will be sorely missed but she is in Heaven and happy to be watching over her family and friends. I'm so glad I had the priveledge of calling her my friend. God bless.

“ *My dear sweet friend, I was just thinking about you a few days ago and all the fun times our families had together. Loved working side by side with you at LMH. Your humor kept us going many a night. Your patients and everyone that met you instantly fell in love with you. I have not seen or heard from you in years but you left your footprints on my heart forever....until we meet again, happy trails.*

“ I haven't seen or heard from my sweet friend and coworker in quite a long time and just last week she was in my thoughts and heart. God bless her sweet family and rest his healing hand on your shoulders because now she is that wonderful, loving nurse with Him in heaven. I will always remember her sweet smile and the loving care she gave to those she cared for and how she was always there to support all her friends and coworkers. She was truly an angel on earth.

“ *Some people touch our lives and leave a permanent smile. It has been years since I worked with Doneese in OB at Medical Center of Lewisville.
She had the sweetest twang in her voice and such a joyful heart. My sincere sorrow to her children. I will remember her always as will everyone who knew and loved her.
I am sure she is keeping the angels smiling.
For all of us who worked with her in Lewisville, we will be smiling through tears.
She gently and happily touched so many lives.

“ Danny and Nick, I am so sorry for the loss of your mother. The memories that I have of her are so numerous that there is not enough room to share. Not only our time working side by side at the hospital where her work ethic makes me the nurse I am today. But also the times that we shared as y'all and my boys grew up together! I'm so sorry that I can't be there in person but I'll take care of my patients tonight in honor of my sweet friend. The Ottingers love y'all. Please contact me as we would love to see y'all

“ *Doneese, or "Snookie", as she was lovingly known, will be greatly missed. She became our angel when she gave more than a week out of her busy life to help us with her ex-brother-in-law Terry in his final days as he battled stomach cancer. Words cannot express our appreciation for her love and caring during that trying time. We are sure she is reaping her just rewards in the presence of our maker. We hope she enjoys many sunsets on the beach with a michilada in hand. We will miss you immensely.*

“ Dear sweet Doneese! Doneese took care of my Dad on home healthcare & we absolutely fell in love with her! That girl could tell a story like nobody's business & Dad always got the biggest kick out of her stories. We felt like she was just part of our family. She took such great care of my Dad & for that, we were forever grateful. When Dad passed away, she came to his funeral & that really meant a lot to me. She was a wonderful gal, with wonderful stories & a heart of gold. She will forever be in our hearts & memories & hope that she is at peace. My prayers go out to her family & hope they can be comforted in knowing Doneese was the most wonderful caregiver & friend & she meant a lot to so many! May you rest in peace dear sweet Doneese, we will miss you!
