“ *My heart is filled with such sorrow at the passing of my nephew. I pray for his family. I remember him playing with my son (Donnie's cousin) when they were young. They used to get into everything. They were typical boys.*

He will be missed, but ever present in our minds and hearts.

Love,

Aunt Arlene

“ *Donnie came into my barber shop and got his hair cut a few times. He was always smiling, talked about his kids, and was a very sweet guy. My heart goes out to his mom and dad, losing a child is not an easy process to recover from, you are in my prayers, along with the rest of his family. God never gives us more than we can handle, even though at times it doesn't feel as such.....*

Donnie we will miss you so much. You will always be in our hearts. I will truly miss you showing up at the house and thinking I have been there along time when I have only been there 15 minutes before you arrived. Thank You for being our friend. You will always be missed Love You Friend

Donna Kay Michels - October 08, 2015 at 02:00 PM

DS

Linda and myself appreciate all of the thoughts and prayers. We also appreciate everything that was done for him and us at this time of need. We love Bubba so much. His family is the biggest part of our lives and I know he loved us It is so hard to understand why this happened to a loving Dad, Husband, and our Son. We look for answers but nothing comes. This has left a huge emptiness in our hearts. I know we have got to stay strong if for no other reason, for our precious Grand Children, Logan and Kennedie. They are a part of Bubba that we never will let go. Most of you know how much Bubba loved his family, work, and just life. You could tell that just by looking at his face. It is going to be hard to let him go but we pray that God has him now and we were blessed and grateful to have had him in our lives as long as we did. He was my Best Friend! We Miss You Bubba.
