“ *To Mrs Short and Family: We just want to say that our thoughts and prayers are with each of you during this time of loss. Dr. Short was a very dear person and such a fine doctor. He had such a good bedside manner with everyone, especially his older patients. Both of our Mothers were very fond of him and he was just so good with them. He always made them feel better just by talking to them, which sometimes seemed to be the best medicine. We will always have very fond memories of him. God Bless You All.*
