“ *Daddy,  
This will be our 1st Father's Day without you. I will miss us all getting together to celebrate & you singing to us. I'll miss your stories about growing up. Life seems so short when you get older. Sometimes we forget to spend more time learning about our parents & their life until it is too late. Thanks for the memories Daddy. I will always love you & keep you in my heart. Rest in Peace!* ”

“ *My Daddy was a Christian man with a great love for God. He had so much love in his heart. There wasn't anything he wouldn't do for his family. I remember one time Edward shot a skunk in our yard & it crawled under our house and died. Edward couldn't get under our house so Daddy crawled under our house and got it out after it had already started decomposing! That's just the kind of love he had for us! We loved him & he will be greatly missed by all who knew him.*
