“ Dear family, I am saddened to hear the news of Elaine's passing. I pray for your comfort in this time of sorrow. Time, space and life in general have separated us over the years. I miss our younger days. She was fun loving. I remember her laugh and the stories she had to tell. How she would stand up for me to keep me from getting in trouble when we were kids after I had once again slipped or fell into the mud while crawdad fishing. And the many times we got together to share a meal and good times when yall lived in Lakeside..... My thoughts and prayers are with you all. Much love, Sheila
