“ *Mr. Brown became a good friend of my father Mr. Rufus A. Jackson in the late 80's early 90's while he worked for J.B. Anglin company as one of the site Foreman's on the Los Creek Dam project for Jacksboro... He allowed us to visit ,hunt and fish on the vast amount of land he owned he always greeted us with a smile and had awesome stories to tell... I remember one morning he showed me a most awesome site there was a white tail buck that had been living amongst his cattle , this buck was so big that if it weren't for the antlers you would not be able to tell it was a deer he told us to stand by as he walked right up to it and pet it I will never forget that it was the most awesome thing have ever laid eyes on...*

“ I was saddened to receive the news of the passing of Elvis. I will miss the stories Elvis shared when I visited the Truce area. He was a great conversationalist with his interesting stories of his childhood and growing up with my wife, his niece, Betty. My prayers are with Flora and family in their time of grief.
