“ *Uncle Joe, Pam, Paula and Davis*

I was so sad to hear of the passing of Francis. It brought back memories of her and Daddy. The one thing I will always remember about both of them was when they smiled, their eyes sparkled. I loved her laugh. I wish I could say that it will get easier with time but I still miss Daddy so much. It does make me smile to think of them in heaven together with Grandmother and Grandaddy. I wish we could come but Mother just can't make the drive. She is having injections in her back and just can't sit for that long. I would love to hear from you guys so call or email anytime. Will be lifting all of you up in prayer. May God cover you in his grace and mercy. Love you all Karla
