“ *We are so sorry to hear about the death of Eva. We just spoke to her about a week ago at one of her favorite eating spots, Dairyland and she was in good spirits as always. She was always such a sweet lady. She will be missed by many. Hold her memories close to your hearts.*

“ *My "chosen" sister, whom I will always miss. We liked each other, we loved each other, she will never be forgotten. She was one great lady, worth a million. I will always remember the wonderful times we had together, the many meals at our house, the many errands we did together, and many times the "trouble" we got into at the fabric shops!!!!!! But, I know where she is, and I know that she is finally in peace within....God bless her and her family.*

“ We will be thinking about all of you as you say goodbye to your mom. Eva was a strong woman with one of the best when it came to having a sense of humor. Lots of good memories to keep of her. Everyone should know an "Eva" in their life! We probably drover her crazy but I know she loved us girls.
