“ I will always remember how much fun Kathy and Evan's Star Trek wedding was! Mom and Dad were outfitted with Vulcan ears and costumes. The bride and groom had great costumes and a ceremony in several languages, including Klingon. My family came as "Scotty's family" - add decked out in our kilts and such. Uncle Jay came as a "Black Hole" - completely dressed in black and wearing a magnet around his neck. All the children - Andrew, Mark, Stewart and the babies - played endlessly with the thousands of Tribbles strewn on the floor (they were really pom-poms). It was such a fun day full of memories of those all grown now and many gone. What a great day for Kathy and Evan to begin their fun filled life together! Thank you, Evan, for taking care of my sister!
