“ *My best friend, great grandfather, and one of the greatest men to be in my life for 16 years. After a year of you gaining your wings and joining the Lord, I miss you so much. This should've been the year you'd see me walk across the stage at school to get my diploma, you were waiting for this moment in my life to see me graduate. But I know you'll be by my side through my graduation and cheering me on with grandma by your side in Heaven. The best memories we've made together is when I always cooked you egg sandwiches and made strawberry milkshakes because that was all you wanted before you passed. You never wanted anyone else to make you food except me 😭😭 And your jokes and hugs have always been the best thing to cheer someone up when they were down. When you passed, you left behind your best friend because you saw how your death affected me. Your dog is my best friend and is so loved. I promise I'll take good of him until he's ready to see you again. Popeye is the best friend you could ever leave behind for me to remember you by. I love you and miss you so much everyday. Until we meet again, fly high Grandpa.*
