A message from the family:

It is with deep sorrow that we announce the passing of Fidel Lopez Sr.

Although Fidel's life ended before we were ready, the time that he spent in our lives was memorable and full of joy. Fidel moved on from this world this past week. With sadness in our hearts, we find solace in knowing that he's in a better place. None of us were expecting the sudden death of Fidel. While we are shocked and filled with grief, we know that he would want us to celebrate his life instead of mourning his death. We will let family members, friends, and acquaintances of Fidel, know about memorial services once everything is finalized. At this time we just ask for discretion, prayers, and thoughts of comfort for the family as we go through this difficult time.
