“ *I hadn't seen Aunt Frances in many, many years. I lost contact with most of my family when Mom and Dad divorced. I remember when I was young and we would go see all of you, she was always so kind to me and always had a smile on her face. She was one of the sweetest persons I ever knew. As a kid I always felt very comfortable around her and enjoyed her company. I think about her sometimes and the fun we use to have as kids. She will be missed.*

*Sincerely,
Steve*

“ *It has been such a delight to know Frances. She is truly a southern lady.*

She loved her children, her grandchildren, and her great-grandchildren so much. I used to enjoy visiting with her when she would keep Trystan on Wednesdays. That was a very special time for she and Trystan. While she rests pain free in the loving arms of our Heavenly Father, she will be missed on earth. She was a blessing to all who knew her. We will miss you Frances. Your children and grandchildren loved you so much. Rest in peace.
