“ I speak on behalf of SO many people in Jacksboro and beyond who knew Gail “Thank you” for being our friend and our supporter. Gail truly encouraged generations of young ones in Jacksboro to be better individuals both athletically and more importantly, to be better Christians. If we could present a “Tiger Fighting Heart” award to an individual that wasn’t a JHS graduate well, it just might go to Gail Weldon!

“ Gail and Shirley were two of my parent’s closest friends. They traveled to football games together as well as many other events. We went to the same church for many years. Eugene quickly became my closest friend in 3rd grade when they moved to Jacksboro and has remained my closest friend to this day. I spent many nights at their house especially after our football games only to have Mr. Weldon wake us up early to go to work with him on Saturday morning. I love this family dearly and my heart goes out to Shirley, Ronda and Eugene.
