“ Miss Geneva was a sweet & caring woman, who always seemed to be surrounded by so much love from her family. Geneva fought a long and hard battle with her health & can now rest. I am saddened by her death, but I know that she is now in heaven & at peace. I hope that as a family you all can cling to your memories of her & keep her alive in your hearts. May God be with you all during this difficult time & we apologize for not being able to be there with you Saturday.
