“ I'm so sorry we didn't get to see each other again. You were one of the best friends I ever had and I will continue to miss you. I cherish every memory I have. We were such silly girls and will always love you. I hope you and Heidi had a wonderful reunion. RIP George.

“Georgiann was the most gracious person I have ever met and the world is truly better for having her in it.

We traveled together often for work ~20 years ago and I recall how she used to often say something funny she had remembered her father had said, like saying “As my Dad says: Someone left the gate open!” after seeing a string of vehicles drive past us after miles of empty road on the way to Deadhorse AK.

I remember too when interviewing her for her first HR position that the accomplishment she was most proud of was at only 16 years old (!) she obtained her Private Pilot license. Her determination to complete a goal was amazing.

Georgiann made a difference in many peoples lives as she most generously reached out to them in times of difficulty, personally and professionally. Her generously gave her gift of time to help others.

Rest In Peace dear friend.
