“ *I'm so sorry to hear of Gloria's passing. She and Claudia and I shared many hours of giggles and fun. You never had to wonder what she thought...she'd tell you in a heartbeat if you got "it" wrong. We had lots of adventures, usually under Peggy's radar, that I'll always cherish.*

“ Dax, We were so sorry to hear about your mom. Although I didn't see her often, when I did run into her, we would just pick right up where we had last left off. We always talked about how you were doing & about how Rylan was. She was a beautiful lady who loved you so much. She always spoke of you with such pride in her voice. I am so sorry for your loss & if there's anything we can do, please don't hesitate to let us know. Hugs from the Robinson family!

“ The last time I saw mom she had come outside to catch me just as I was leaving. Something was wrong with her cell phone and she asked me to take a look at it. While I was working on it she started jumping around. When I asked what was going on she informed me that flying ants were trying to attack her and that I needed to hurry up. While laughing I hurried up a fixed the problem. I wish I had known that was going to be the last moment I was going to spend with my Mom for two reasons. #1 To tell her how much I love her and how much of an amazing person she was. #2 To watch her jump/run from those ants a little longer! I love you so much mom and will never forget you... I'm glad you're with Nana & Pop now.
