“ *He was the best grandpa anybody could ever ask for, he always had a smile on his face. Every time he would come and visit my mom (Jeanne), my brother (Lars) and I (Nikki) he would always take my brother and I out to McDonalds, there was one time that it was just him and I and when we got there neither one of us knew how to get the key out of the ignition, so we went inside to eat and ate by the window so we could watch the car and make sure no one would take it. I will miss him and his contagious smile and laugh. I love you grandma Bev.*
