“ My condolences to Ray and Linda--I remember all our happy times when your boys were young. Mom said to tell you she understands- to lose your child is the hardest thing she has ever done. We love you and are here if we can help. To Steve and Bruce--I know the big hole in your heart where your brother once was. Be strong for Greg's kids and your mom and dad.

*Greg and I were like brothers when growing up as was Bruce and Steve. Jerry my brother and our cousins would play together at our Granny's house and would camp out together, ride our bikes up to Squaw Mountain to Granny and Jack's farm. We also had a wagon ride from our house out on Hwy 380 E. to the Trinity river one day. Greg and I ran around together when we were younger but went our own ways. I sure wished I had kept in contact throughout the years. We had our cousins reunion this weekend and I wished he had come by and let us know what was going on. I will miss you Greg.*
