“ With deepest sympathy and respect for Harold Inman and the Inman Family I send my heartfelt prayers. Harold hired me to work at Dairyland when I was a teenager, later was a partner in the business for a short time in the late 70's, then worked at Dairyland occasionally through the years. He touched my life teaching me important work ethics that I will never forget. It was Harold's way, and yes, I soon learned, it was the right way. What great memories! Thank you, Harold, my friend!

I remember the plane rides the motorcycle rides and the fun the Christmas parties that we had. Harold and Barbara were great bosses to work for. If you ever needed to work and extra job Harold was always willing to hire you back. RIP Harold you will be missed by many.*

When I was in Jacksboro High School, Harold was my 1st ever boss & the BEST! Loved working at Dairyland & still 40+ years later, we always stop at Dairyland on our way out of town. RIP Harold, you will be greatly missed, but remember, you gave a lot of Jacksboro kids a wonderful opportunity at their first chance at the working world! Harold used to take the Employees water skiing at Amon Carter lake in a JET BOAT!! I will never forget flying with Harold in his airplane, and him landing at the lake - My first EVER plane ride & when he started to land, he made things float in the air in the cabin of the plane! Good times & many memories of the Inman Family & working at Dairyland! RIP Harold, you will be missed, but never forgotten.
