“ *"May you find comfort in the hands of angels." You will be truly missed "Paulmore" as the boys would say!! Will never forget how you bought Vince his first real motorcycle or should I say crouch rocket when he turned 2 years old. You always cared for the boys and always believed they could do anything and be anyone even Evil Kneivel! You will never be forgotten and forever be in our hearts! Remembering you on this day, comforted by so many memories! We love you....*
