“ Dear Joe & Teri,

We are so sorry to hear about your mother's passing. Even though her health has not been good for many years, I know it was still a shock when she took her last breath. No matter how much you plan for such events, it is still difficult. We are praying for you and your family and are just up the road if you need anything.

Love, Jerry & Betsy

“ To Joe and Teri,

I am very sorry to learn that sorrow has come to your family because of the death of Joe's mother. I am sure your family's achievements and love have been bringing her great pride and joy during her later years. I had not met her, but judging by the results of her mothering, she must have been a fine person.

May God bring you solace.

Sincerely, Ruth

“ Time takes it toll on all our families, and for certain there are many times when those are almost unbearable. The greatest thing in life is we have God as our Father, and If we have Jesus as our Saviour he is alway near and sitting at the side of our Father interceding for us. This is a wonderful thing that God's word tells us. A God who loves human beings that much. I haven't seen any of your family in a long time, or if I did I did not recognize. I am thinking of the times when Margie was in school in Jacksboro. I think our daughter, Lanette and Margie were in school together. Anyway, it was not possible for me to go to the visitation at Coker's on Tuesday, and I am not sure if I will be able to attend the services tomorrow. So we send this to all the family, Margie, Tony, and those we do not remember well, we want to extend our sympathy to all of you.

“ Please accept my deepest sympathy. I have nothing but sweet memories of Henrietta when I was very young, as she was a grandmother to me, Tommy, and Shaney when she was married to Pop (Cotton). I pray that she is at peace and carries the love of her family with her always.

“ I was very young the last time that I saw Henrietta so honestly, I do not remember her all that well. I vaguely remember going to her house in Bridgeport a very long time ago as funny as that sounds. However, I do remember her son's Tony and Joe ("Little Joe"), as well as her daughter Terry ("Terry Lynn"). I am very close to my dad's side of the family and I can honestly say that Henrietta was definately loved. If any of you get the chance to read this, I wish you all well and I send all my love. I miss you all very much and pray that your sorrows be lifted. God bless you and your families.
