“ *Kitty Sue, Rick, Debra, Joyce, Johnny, Carley & family,*

Your Daddy was special to you, our family and everyone that knew him!!

We have wonderful memories of the times spent with your Mother and your Daddy and each of you!

The blessed assurance we all have is that, while your Daddy will not be close at hand for you to touch physically, you KNOW you WILL see him again, because he is residing with Jesus in Heaven right now. We will all meet him there and sing the wonderful songs he is singing in God's presence. Won't that be great!!!!

The music you have playing while we view his photos is heavenly and speaks volumes!

We ask God to give each of you His peace and comfort during this time. He will, because He loves you! We love you too!!!

“ Some of the best memories from my childhood growing up were the Summer visits our family made to stay with Aunt Peggy and Uncle Henry. I never really got to know Uncle Henry as an adult, but as a young boy, running loose out in the N. Central Texas countryside was pure fun and a childhood I will never forget. Uncle Henry was a whiz in the kitchen both at breakfast and at dinner. His catfish was legendary. I love and cherish ALL of my extended family out there and share my family's prayers and thoughts with you at this time. Uncle Henry has joined Aunt GoGo and I am happy and comforted for the both of them.

We love you!
