“ Buddy you was a great brother, friend, and neighbor you always came if I ever needed any help. You never complained or refused no matter what it was you was always there to help. I will miss you greatly and seeing you in your pickup go up and down the street numerous times a day. You were always someone that could make things happen and your smile brightened my day so many times. I'm so glad we got to spend the time together we got but it was too short and I wasn't really ready to spend the rest of my time here without you. I miss you Buddy.
