“ *We have many fond memories of Ike and Drilling as a fellow worker as we worked for Star Drilling back in the 1970s. Ike was always cheerful and helpful to me- I was a bookkeeper, and in charge of all those working for Star. Ike was tool pusher, and always helpful to me to get the time sheets and pay checks done and ready for employees to pickup their pay. I am sure there were many times he was aggravated with me and my work, but he was always kind to me. That was a trait I shall always remember. As a fellow worker there will always be good memories. Kelly, a few years ago your dad told me you were coming up to do the work in oil field as Ike himself did. I will be unable to come to any of the services with Pete, as I am recovering from a complete knee replacement; but I did want you to know that I had alot of respect for your dad, and if you follow his footsteps you will have a hard row to follow "so to speak."*

“ *Dear Rosella, Kelly Ike and families*

*We were so sorry to hear of Ike's passing. Richard has so many memories of working with Ike in the oilfields and remembering what a nice man he was. May all your happy memories of Ike bring you comfort and peace at this time. May God bless you and give you the comfort only he can provide.*

*You are in our prayers.
