“ Dear Patsy and all your family,  
Bobbie called me to say that you had lost J.R. I was so surprised, but did not know that he had been very sick! The last time that I had seen him was at Antelope at a Jamboree, when you came over and we visited a short while. Life is so short and we do not have time to see all our loved ones enough!! It seems so long ago when we could see all of your family, when we were all so young, and our grandparents were alive! I will be 90 if I live to my birthday May 16th, and it doesn't seem like it was that long ago!  
He was a very special person, and I know that he will be missed by all who knew him! May God Bless and keep you and your family as you go through this, and I know how it is, as I lost 2 husbands. My prayers are with you at this time.  
Love , Frances
