“ *To the family, I love dearly, my thoughts & prayers are with you. James is in a better place, home with the Lord I know it is hard to give him up, but at least he didn't have to suffer for 6 more months. I will be up there when I get well, sorry I wasn't any help this time. Julie call me. Love, Rita*

“ *James Chapman was a very good friend of mine. I remember him from my early childhood as a great parent with 3 wonderful daughters and a beautiful wife, Pat. They were all like family to me and I was privileged to be a part of their loving circle during the most important time of my life, the formative years during adolescence. I just hope they can look back and feel the love that every one of us that were fortunate enough to have them in our lives felt when we were with them. Pat, I will always be just around the corner if you need me. Julia, you can always call if you need an old friend to talk to. Jim, take care of Julia, she is a very special child of God.*

“ After knowing & being friends all these years, as we became scattered, didn't see each of you as much, but there were still our friendships. Our prayers are with you all & sorry I didn't get up there before this happened, but we know James is in a better place & did not have to linger so long. God Bless You All. Love, Rita, Randy & family, Rhonda & family, Starla & family
