“ I know there arent many words that can make the loss any better ,
but me and my wife want you to know that we are so very sorry for
your sudden loss of Jimbo. Ive known him for a very long time and
guess my first memory of Jimbo is when he talked me into putting
firecrackers in the window seal outside and I got in trouble for it, that
was a long time ago but he got a kick out of it. I think that every time
I saw Jimbo he was smiling. His journey here has ended but his
journey in heaven has just began. I think God looks around his
kingdom and finds a empty place and then he looks down upon us
and picks the most special ones to fill that place. When he calls
them home the sad part is that they do not leave alone, for they
carry a piece of all those around them and their loved ones with
them. Just remember , Jimbo is now in paradise. Love you guys and
if you need anything just call. Bubba

“ James ,We may not have showered JimBo with praise
Nor mentioned his name in song,
And sometimes it seems that we may have forgotten
The joy he spread as his life went along,
But it doesnâ??t mean that we donâ??t know
The wonderful role that he has had.
And away down deep in every heart
Thereâ??s a place that is just for YOUR Dad . God Bless You
James,Remember as long as He is in your heart he has not left
you,he walks alongside you with every step you take from now untill
your work here is done.
