“ *I'm saddened to hear of James' passing. Many prayers of love and light to his family & friends. I had the privilege of working for James on two separate occasions several years ago. James was as honest & caring as any man I've ever known. I learned a lot from him, and absolutely came away from my time as his employee a better person. God bless James' family & friends during this difficult time of adjustment. You are definitely in my thoughts.*
