“ I only met Junior a short time ago and yet I already knew I had a great friend. I would be in Perrin in the music room listening to Texas Express Band practice and in would come Junior to listen also. He so loved the music, as I did. I have never known anyone who always had a huge smile on his face every time I saw them, until I met Junior. That smile would light up the room! His laugh would make me laugh, even if I didn't want to. What a great gift he had of making people around him feel good. We had a running joke between us about who could dance the best, we had so much fun laughing about it. The very sudden loss of Junior greatly pains me and I will miss him so very much. He always gave me a hug when I saw him and that felt great. I will always remeber him and that wonderful smile and personality. I know he is in Heaven looking down on us and he knows how very much he is loved. Junior, I will miss hearing the music with you, dancing with you, but I know that another Angel got his Wings the day you passed. To the family, my thoughts and prayers are with you in your time of loss and I pray that ya'll get strength from God and knowing how many lives your wonderful son touched in his short time with us. Junior...I Miss You and I Love You Always!

“ To all of you who attended a service, sent flowers, food, called or simply sent up a prayer--it meant so very much to us. My brother was awesome! To say that he was loyal, dependable, lovable, funny, or short-tempered (LOL) would all be a gross understatement. He understood me when no one else could, held my hand when no one else would, and simply loved me unconditionally despite my many faults. He was simply the best and will be greatly missed. Thanks again for all your many thoughts and prayers.
