“ *Uncle James will forever be missed. He taught me about fish-eyed pancakes, monkey blood and the true way to love a family. Everybody who ever met him, adored him. Give my Papa a hug. Love you always!*

“ I will always remember uncle James when I was a kid. I thought he was the coolest with his cool pork chop side burns. Hunting with uncle James and my dad Dale Jeffrey was always quite the trip. Non stop fun and laughs. Uncle James will be missed by more folks then I expect he would even know. May god be with aunt Linda and all my cousins during this time and always.

“ *I so enjoyed shooting the breeze with James. He was unfiltered and unapologetic. He was a breath of fresh air and I enjoyed every conversation I ever had with him. I wish there were more people like James! His passing is a real tragedy. I am praying for Linda and his kids as they adjust to life without James! I had much love and respect for this man.*
