“ *I never met you until the end. I was one of the truck drivers with a fire extinguisher the day of your accident. My coworker held you in his arms and protected you the best he could. I'm glad we were able to make the situation better than it could have been. I was sorry to hear you passed away. I hope for healing in your husband, grandkids and family...I think of you often and you seem like you were a wonderful lady.*

“ There's not enough room in all the world to say how much our family will miss Jane. Every occasion in our lives for almost as long as I can remember has included all of you. We have laughed together, cried together, played together, and learned new things together. Now there will be a huge hole in all our hearts where Jane was, but she would want us to go on, to find happiness again because she loved big and she loved life big. Our prayers are with you as they have been since this started and we will continue to pray in the days and weeks to come. We love you and we pray for comfort and happy days again.

“ *Dearest Gary, Lauren, Dylan and Jace:*

*David, Roxie, Jay and I can only express how so sorry we are that Jane was taken from us and all of you too, too, soon. I just saw her the other day here in Jacksboro in the grocery store and I won't forget the ridiculous smiles we had on our faces when we saw each other. It was such a coincidence because I had just been thinking about her the day before. It really made my day. We had so much fun working together at my shop and then at Lori's shop too. Jane was so creative and talented. Jane was a giver and had a wonderful effervescent personality. I will miss just knowing that she is not here on this earth with me. We love you and will keep you all in our prayers.*
