“ *Harriett,
I did not know your mother well, but I do remember fondly of the times I was around her. She was a very open and friendly lady who was full of helpful advice. Remember the pillow?
I know you will miss her greatly and my heart goes out to you.

“ *It is with a heavy heart I say goodbye to Jackie. She touched my life in so many ways. I am very blessed to have known her; she was such an inspiration. She knew how to live life! She never gave up on me and always prayed with me and for me. She helped me get my faith back. I'll miss her beautiful letters. My prayers are with her family and many friends.*

“ Dear Harriet and Paul

Jackie was such a loving and giving lady, I know that you will miss her everyday, but know that she touched many lives in a positive way. I loved to talk with Jackie about antiques and missed seeing her at church after Tony passed away. May all of your happy memories give you peace and comfort during this difficult time. May the Good Lord Bless and Keep You

“ *Jackie will truly be missed. She was always a joy to see-so friendly and kind. She did so much for our community in so many ways-especially the restoration of her homes which stand today as memorials to her and her love of the past. Our sympathy is with you all as I know you will miss her dearly. Thank you so much for remembering the library as a memorial recipient.*

“ *Harriet,
So sorry for your loss. Jackie was such a special lady. She always had a kind word and special greeting for everyone. It always made my day brighter when by chance our paths crossed. I am sure many times she was busy but always took the time to speak and inquire about my family. Jacksboro has lost a wonder asset and real lady.*

May God Bless, Kathy

“ *My sympathies to you and your family.
I admired Jackie's dignity and grace and those are traits she passed on to you.
When I talked to you last I thought of the scripture. "There is a season..."Ecc.3:2
Even so it is more than difficult to lose your Mom especially when you were as close as you and Jackie.*

I am remembering you with love. Sherry
