“ *I enjoyed knowing Jeri. Anytime I went to the store she was always so friendly and eager to talk. She had such artistic talent, as I know your family has and hers was so nice. I just knew if she was there when I went in, I would have a pleasant experience. I am so sorry for your loss.*

“ While it's been over 30 years since I have seen Jerri I still considered her a friend.
The memories will always take me back to the late '70's when our burdens were simple and life was carefree.

God bless my friend

“ Just wanted you all to know how much she will be missed. She was our great leader. She made us laugh but most of all she had a way of just making you feel good about yourself and the world. Her life was full of adventure and her attitude made us think we could conquer anything or at least have a good time trying. She brought out the best in everyone. She was actually the one who suggested we have our 13 year class reunion... She didn't make it but it was her idea and we had a great time. I will always remember our first day of school together, slumber parties and sleep overs at the Parchman's.... Lots of great memories I will cherish forever... I will love and miss her always!

“ Jeri was a young vibrant free soul who loved all of those around her. Steadfast in her beliefs and friendships, she was a devoted friend, and one I loved very much. I treasured her friendship. Although her life was cut short - while she was alive - she was ALIVE, she lived!

My sympathies and love to her family - your loss is trememdous, and I grieve for you and for her. She was very special ~ and I will never forget that part of her.

“ I worked with Jeri at Chess King and have wondered about her over the years. During our Chess King years, she was so much fun! She loved to laugh and was so sweet to us all. I will never forget at my baby shower she saw me and started laughing and said, "DANG, GIRL...you are BIG!!" Her big grin made me laugh right along with her! I hope and pray that you are all comforted in knowing that she is in a better place, and that she is at peace. You are all in my thoughts and prayers

“ *Jeri was never too busy to offer a friendly smile or encouragement to someone that needed cheering up. One of the nicest, sweetest persons I have ever known. I'm forever grateful to have called her friend during our time at Roosevelt.*

“ I had the chance to hang out with Jeri and my sister, Rhonda, during my very young years! I have a lot of good memories with Rhonda and Jeri! They took us places, we found puppies on the side of the road one time, for the most part, they had fun with our younger brother, Mark and me! Jeri treated us like we were her little sister and brother too! She was always sweet and always had a smile on her face!

I just wanted to take this moment to tell you that your family is in my prayers during this time of mourning! I know she will be greatly missed by all that ever knew her!

Respectfully,

Melanie Killian

“ I know I haven't seen Jeri in years, but I have thought of her often. She will be sorely missed. My thoughts and prayers go out to all of her family. Roosevelt would not have been the same without Jeri. I have many great memories of her.

“ *So many memories of the time we had with Jeri.
She was a very big part of our family for years. She & Rhonda were
such a help when my Dad was sick and Polly let me take Jeri with
us to help with Melanie & Mark. It was a real blessing.
Thoughts and prayers for all the family.
Love,
Mellie*
