“ *A great person who coached and treated you with respect. Always encouraging the football team with positive comments and not yelling, profanity or embarrassing you in front of your teammates. He was always respected by his players from back in the day at Port Lavaca. A really great coach, person with character.*

“ I always enjoyed waving to the Dodsons when they were sitting on their front porch in the evenings when I walked by on my way to the High School and back home. We had a lot of fun times running the clock and announcing the basketball games back in the day! Good man....

“ *I will miss my beloved uncle, Jerry. I had so much fun growing up with Jerry and Jimmy and playing at the Fire Station. Even went on a date or two with them. Jerry had a bunk bed and Jimmy had a full, so I would be under Jimmy’s covers hiding. They would come in and pretend not to know I was there. Jimmy would pretend to fall on me and he and I would tease Jerry about listening to “Elvis the Pelvis”. My condolences to Diana, Denise, Julie, Nancy, Joe and Sara and the grandchildren. And all the other people, students and coaches, church folk, etc. Who love him. Love you all! Diane Randle Woodward*
