“ My family all loved Jerry. We have many memories of years of fun with him. Barbecues at his and Beth's house in Lubbock. Meeting just plain ole down to earth people (truckers) like him. He was a wonderful brother-in-law. My husband and Jerry worked together on many projects. RIP dear brother.

“ When I was in high school in JHS one night we got into it with some guys from another town. Well they took us down to the cop shop in front of mayor Hurd and he was letting us have it and Jerry walked in. He was a friend of my stepfather and seen my car out front and come to check on me. In about five minutes we were free to go and I never forgot his help. Just a short story about a great guy helping some dumb asses out. I will never forget that night. Thanks and rest in piece Jerry.
