“ *Our thoughts and prayers are with each one of you. I have only known Jimmy for a short-time since he came into Tiffany's life. I saw what a very special man he was by the way he cared for Tiff, Stayton, Melody and Kyleigh. They loved him deeply and we had grown to love him also. He will be missed by all of us, but will remain in our hearts forever.*

“ Jimmy was always a friend to me. I am so saddened to hear of his passing but we know he is up in heaven. God has a plan for us all even if we don't understand it at the time. He blessed so many lives thru the years. We were neighbors at a young age then went all the way thru school together and even after school when we would see each other I always got a friendly smile and greeting. I'm proud I can call him my friend. He will be truly missed. If there is anything me or my family can do please let us know.

“ Jimmy and I grew up together. I remember that we always set together at Church writing notes back in forth to each other when we were supposed to be listening to Bro. Carpenter. Although I have not been around Jimmy in years, I will still miss him dearly. I did run into him at our 20 year reunion last year, and I am thankful for that. My thoughts and prayers are with his family.

“ Jimmy has always been like a second son to me. I have known Jimmy since he started middle school. He was always such a nice young man and his smile brightened up everything around him. As he grew up and ran around with Jason, I really got to know him. He was willing to help in any way possible and has on many occasions. I will have his family in my thoughts and prayers and I feel as though I have lost a family member too.

“ Ada, James and all the Brisco family. This is a tragic loss. Ada, just by reading these tributes I can tell Jimmy was loved by many. I always remember him as your baby brother. I will pray for you all and for Jimmy's fiance, she must be devastated. I will be in Jacksboro in two weeks and hope to get to see you.

“ I was blessed to have known Jimmy for most of my life. As a child I new him as Jay's little brother and Jennifer's uncle but as an adult he was one of the kindest people to me at the most difficult time of my life. I knew then that if I ever truly needed a real friend that I had one in Jimmy. I can't begin to understand the pain that his family is feeling but I know that the loss of Jimmy is a great one to everyone who had the pleasure of knowing him. All my thoughts and prayers are with his family in this most difficult time.

“ My family and I had the prividge of attending church with the Brisco Family. Jimmy was a young boy of about 9 years. He was so full of life and so happy.  
Every time I saw Jimmy he had a big smile and a hug for me. "How are you" he would say. That sure made an old woman feel good. That has been every since he grew in adult hood too.  
I am so sad that he had to leave the world at an young age, but God knows best. I'm sure he has met Junior by now.  
Think about all the shouting going on. What a glorious time in Heaven.  
Tiff, I am so sorry that I didn't answer your text quickly. I wasn't by my phone at the time. You are in my prayers and so is the Brisco family.  
God will never put us through what he won't take us through. Just lean on God and his word. There is comfort there.  
I love you,  
Nita

“ As my family to the Brisco Family's. Jimmy will be very missed. He was very active in Church with Bro and Sis Carpenter. Jimmy and Jay had my boys with them teaching them the same. I am very grateful for what Jimmy did with the kids. He loved them and loved the hunting with them, The boating, The fishing, the camp meetings. He was a GREAT guy. He will be missed very much. I am so sorry for your loss. I am so glad I talk to him several months ago. What a wonderful Son!

“ My thoughts and prayers are with you and your family during this time. Growing up in Sunday School, Everett and Marie Ferris used to take Jimmy, Mechael and myself with them on Sunday afternoons. Jimmy was such a good role model for us younger kids. You couldn't be around him without seeing his love for the Lord. He taught me that it was "cool" to be a church kid. He always had a smile and a kind word for everyone. He will be missed.
