“ *Jo was a very sweet and caring lady. She worked for years driving the van for Concerned Citizens making sure everyone's needs are taken care of. She was a special lady.*

“ *My Mom was an amazing woman, no one could ask for a better Mom, she loved each and everyone unconditional, she may have not agreed with, the way we lived our lives, but she excepted us and loved us just the same.  
Even tho she was my mother, she was also my best friend, and would listen and comfort me as tho a only a Mother can do.  
I watched her suffer for a longtime, and I know she is at peace, and free of all the pain she endured, so therefore I am also at peace.  
Mom you will be missed dearly,  
All my love,  
Sondra*
