“ I can't find the words to express my deepest sympathy the loss of Ms. Joan is heartbreaking. She had kindness to be in her presence your could feel the love she had for every person. I am going to miss her coming in Garlic's and ordering pizza for her ESL class I took the delivery every time. I haven't met anyone like Ms. Joan but I so thankful that I did. Shanon Aradillas

“ My friend John, I'm so sorry for the loss of your Mother. I know the feeling having lost my Mother in 2016. Although I never had the pleasure of meeting your Mother, I know one thing, she raised a fine son. I'm sure she was very proud of you. I will keep you and your family in my thoughts and prayers. “Joan and I graduated together at HS. Then we both attended SHSTC as "suiemates" in the dorm and followed our dreams to become teachers in different parts of the state. Joan was always a very sweet young lady who was easy to talk to and count as a friend. We've just here recently became FB friends, so we were reintroduced into each others' lives. May God bless her family and friends!!
