“ *Mr. Smith, Matt, Leslie, and Matt's uncle (Robert Lee). We are so sorry for your loss. We did not know your mom well, Matt, but she seemed to be such a sweet person, even if she did pack books in BIG boxes that were too heavy to lift. Remember the good times and laugh at the funny times. If there is anything that we can do for you please let us know. We love you much. CE and Sharon*

“ *I remember Jo Ann as our lovely and wonderful classmate in Perrin School, always cheerful and smiling.
She is now a lovely flower in the masters bouquet.*

“ *To Joan's Family*

I was in Garden Club with Joan for several years. She was a very sweet and caring lady. I know she will be greatly missed by you and all her many friends. After such a long battle with her breast cancer and lingering health issues she dealt with all of these with dignity and a smile on her face. May God's Blessings be with you at this time.

*With Sincere Friendship
Cathy and family*

“ Leslie,

I just found out about your mom. I am so sorry. I was in business in Florida and then Michael's mom flew to the angels. Those services were Wednesday and Thursday of this week.

I did not know your mom. I remember meeting her. I do know you. Your parents have done a great job with you. You have been a blessing to me and I know will continue to be a blessing.

Heaven is definitely a better place with your mom there.

Hugs!
