“ *John,*

My heart breaks to see you leave us, but I know in my heart that you are in a place more wonderful and majestic than any of us here on earth could imagine. You had an amazing spirit and compassionate heart. You are no longer held down by your earthly struggles. I pray that the Lord opens his arms and welcomes you to your eternal life in heaven. Rest in peace and know that you are loved and will be missed. I say to you ... until I see you again.

Love your little brother,

Lewis

“ John Lewis Belyeu it's hard to believe you are gone. We love and miss you so much. Ty so much for introducing me to Robert I am so glad to be apart of this amazing close family. You have been my brother in law over half of my life here are so many memories but the one that's miss the most is how you, Robert and Michael would just up and take off and make me mad but I always got over it. I will always remember and miss you trying to sing every 80s rock band song there was. Mom Dad Robert Lewis and Michael I love you all so very much I am always here for you and with you.
