“ *Served with Jack in the Decatur unit for 4 years, a great help to me during my time there. I am sorry to find he has passed.*

Robert Schanke - December 12, 2017 at 04:31 PM

“ *It has been a pleasure getting to know Jack during the last 3 years. Walking onto the porch and seeing Jack there enjoying the sunshine was a highlight of the day. Often he was jovial with his greetings and sometimes he was more pensive, but he was always gracious and friendly to everyone. When the weather was cooler he could be found on the parking lot area under his favorite shade tree. We will remember his pride in being an Army man as he showed this pride with his Army flag in the window of his room for all to enjoy. We will certainly miss Jack, and we pray that he is walking in God's cool shade and bright sunshine forever.
