“ I was very saddened to get the news that Johnnie had passed, he was a very special person to a lot of people and one thing I can say is that Heaven has just receive a wonderful Angle. Johnnie was a man that was so nice to others and always wanting to help someone out in some way big or little it didn't matter to him. Remembering Johnnie I can honestly say that he probably has never met a stranger in his entire life. I have lots of great memories that I will hold on to and cherish of this great man.

*It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of those little things
that help to push
away the pain
and bring the smiles
back again.*

*Mike, Rhonda, David, Teresa
My deepest sympathy you are all in my thoughts and prayers.*

“ Johnny was always loving and accepting of this "California girl". My father(who came with Alton to Donna's funeral) was charmed by him during his visit as well. I will always remember his quick wit and his warmth to anyone who came over.

Your love and care for his needs during his illness were very evident!

My thoughts are with you! Thank you for letting us share in his last days. It really was a special time and I am grateful to you!
