Many years ago I was in the hospital with Pneumonia, she came to my room and asked if there was anything special i wanted to eat. Now I'm sure she did that many times for many people but she made this sick person feel special with her visit, That was just her way. She was full of kindness.

Jovetta was a very sweet lady, she will truly be missed! Great memories working with her, being my supervisor at FCH! I remember one day, she wanted dessert & she said I will just take more insulin, so she got dessert.
