“ *Mother I think you for everything you thought me. I love you for instilling strength,courage and the tenacity to perseve through tough times with class and dignity. Mom you were the BIGGEST inspirations in my life. You were the stongest women I knew. You always spoke your mind and everyone always knew where you stood, alone in solitary strength or as a group. I thank you for giving me a chance in life. I think you for loving me unconditionally. I think you for your faith in GOD that Im blessed to carry the Holy Spirit within me and I want the whole world to know you were a SPECIAL LADY. All my love your LOVING SON TIM.*

“ *To the inventor of the original Sweet Tea, my Aunt Nita. I hope you enjoyed your journey through this life. It's given you ups and downs but through it all you managed. 85 years is a long time but at times like this we realize it is never long enough. You have left us many memories and two great sons and your work here is done. Go in Peace and leave all your earthly worries behind. Tim and Zan will handle the load for you and they will do just fine. You raised them right. Remember, if they don't, I've got your back. I'll try to help keep them in line by reminding why they are here for and who they should be living for.*

Thanks for your sons and the memories. Please enjoy your new journey. It is not the end but merely a new beginning so have fun and don't to forget to say hi to Uncle Ellic, Dad and the other family members who have gone before.

See you in Heaven

Love,

Barron

“ Mrs. Sine lived across the street from me when I was a kid growing up in Harker Heights. She was a wonderful mom to her two sons, Tim and Van. She always had a smile on her face and always had a kind thing to say. She was a blessing to be around and I am sure that she will be missed by all people that had the opportunity to know her. Now there is one more light shining in the night sky to help keep the world safe from harm My deepest sympathies go out to the family.

Sincerely,

“ Dear Sine Family,

Through a mutual friend, early this morning, I received word of the sudden passing of Juanita Sine. And, it saddened me deeply. Although I have never met Mrs. Sine, I consider her son, Tim, my friend.

I understand that no one can take your mom's place, and only one whom has encountered such a loss can understand the feelings you are experiencing. Although sympathy is only a small consolation, I wish to extend my sincere condolences. While I cannot eliminate your sadness, I want to express my deepest sympathy. I would like to offer a mass in loving memory of Mrs. Sine at Saint David Catholic Church on Sunday, September 27, 2008.

May all the many memories of your mother, along with the kind words and prayers received from your friends, become a source of comfort for you, Mary, Allie and all your other family members during this painful time. If there is anything I can do, please call upon me.

Sincerely,

Mark Jolly

“ *To the Sine family I give my deepest sympathy for the loss of Aunt Nita. She was a very special lady and will be dearly missed. I always knew when she called exactly who it was without her saying more than "hello there". She had a very big heart and loved her family so very much. She was courageous and witty. She raised two wonderful sons and extended her love through her family and friends. We will all miss her but we know that she no longer has to suffer any pain. She can now rest peacefully in her final resting place in heaven.*

“ I did not know Ms. Sine but as a friend of Tim's I want to give condolences to the family. Over the past two years Tim and I have developed a friendship that is based on a relationship with Jesus Christ and we have prayed for Ms. Sine and he has shared his love for his mother and brother.

I pray that God will bless this family during their time of sorry and loss. Ms. Sine is in the presence of Christ and now her family and friends can rejoice because one day all of us will experience the "Blessed Hope."
