“ *Our thoughts and prayers go out to the family of Mrs. Julia. I remember back in my high school days; she always made the best banana nut bread; along with whatever else we requested; chicken spaghetti comes to mind as well. She also took our keys and hid them if we were drinkin beer. She left such a lasting impression on so many people; me included. She will be dearly missed.*

“ Julia was always full of great wit. Too many wonderful memories to cite them all..... but I'll share one funny recollection I have of spending a week with Carlie and Julia when they lived in Lockett. We wanted to go swimming/sunbathing at the Pease River that ran through their ranch. Carlie insisted that we not go, as it had recently rained and he thought we would get the car struck. Well of course we didn't listen. And of course, we got stuck! I just assumed we would walk the two mile trek back to the house..... but Julia insisted we forge on for our day at the “beach”! Had a great day and upon returning home, Julia immediately started buzzing around in the kitchen. She told me she was making homemade biscuits...I asked her why? Julia said, “when I tell Carlie that I got the car struck, having a homemade biscuit in his mouth will make the story go down a whole lot better!” That was Julia's philosophy ! She was an amazing cook, musician, artist, Mother, Grandmother, Aunt, Sister and most importantly a Christian. I, along with the rest of the Jones/Rumage nieces and nephews are blessed beyond measure to have had “Aunt Julia” in our lives. It is a bit sad though, knowing that the last of that Rumage generation ends with the death of Julia. But wow, it was such a “fun run” when we had them ALL! God Bless the Jones and Rumage families!❤️
