I will forever remember you being such a good uncle to Micah and Cam. You did it all whether it be riding four wheelers or popping fire works to camping, you did it all and enjoyed it as much as they did. They adored you. Your family is going to miss you so much and I am too. Would love to see that great big beautiful smile again. You lit up the room. For now not saying good bye but see you on the other side. I'll know it's you when you give me that great big beautiful smile. See ya later little buddy!
