Kathy you were an amazing part of my life as a young girl...First babysitter my parents trusted me with when I wasn't but about 4 years old. You were the best babysitter ever...I remember you brushing my hair and putting it in pigtails...I loved coming to the little house next door to my own...I am so thankful you were a part of my life and even more thankful I was able to hug your neck several times over the last year. I love you dearly..Please kiss my Aunt Weedy when you see her in heaven....I know you and her are dancing pain free...which I am so thankful you will never suffer again...
