“ Dear Hank, Monica and Family~
Please accept our deepest condolences in the loss of your precious wife, mother and Mimi~ she loved you all dearly and I can't even imagine the depth of grief you must be feeling at this moment~ I have had the great privilege of working alongside Kay at the center ever since she began volunteering and I have observed her humility and grace and her unquenchable love for the Lord every time she came into the center with a burning desire to lead more young women to the Lord~ her Bible was her Word! I have never seen a Bible with more sticky notes marking those verses and promises that she readily shared with all of us and her clients~ the pages were worn but the promises were fresh and new every single day! I will miss her annual Christmas poem that she always penned and gave to each of us as her Christmas love gift~ She will be greatly missed but we know we will see her again as she sits at the feet of Jesus, ready to welcome us Home~
We love you all~

“ Dear Hank, Monica and all the family,

You are in our prayers as you adjust to not having sweet Kay in your midst - what an amazing, wonderful, fun and godly woman she was! We are SO GRATEFUL that the Lord allowed us to know Kay - our lives are so much richer because of this!

We regret that we cannot attend Kay's service - unfortunately we will be out of town. Please know that we will continue to pray for you all - may God's peace and comfort be yours.

We're so grateful for the hope we have that we will all see Kay again in Heaven!

God bless you,

Jean and Nate Eudaly

(Jean used to work at Metroplex Women's Clinic and had the honor of working with Kay, and praying with Kay, many times over 14 years of ministry - what a blessing Kay was to my life!)

“ We were so very sad to hear of Sweet Mimi’s passing. She was a truly amazing, Godly woman & probably one of the most kind & gracious people I’ve ever met. I so admired her passion for the unborn & her ability to reach out to all in love. Please know you are all in our prayers as you struggle to cope w/your heartbreaking loss. She will be sorely missed here on earth & her memory/legacy will be treasured by us all. Much love, Susan & Glen Garlington
